Check-in opens at 4:30 p.m., followed by a hearty BBQ dinner at 5:00 p.m. We will then get down to business with our V<sup>2</sup>CTM business meeting, where we'll elect new board members and recruit attending division members to represent the entire region better.

The Fall Conference will feature break-out groups focusing on navigating the newly approved **2023 Math Standards**. This workshop will highlight small changes we can make now as we transition to full implementation in 2024-25.
